

# EDI VAN Data Link Managed Services

## Connect to everyone through OpenEDI™®

**With Transalis OpenEDI™ Data Link there is no software or EDI knowledge required & no VAN costs.** OpenEDI™ Data Link is used by organisations such as **Argos, Microsoft, PLAY.com & Tetley** for the complete EDI order-to-invoice cycle with thousands of suppliers & buyers. Now, with OpenEDI™ Data Link there is nothing stopping any large organisation removing VAN costs & rolling out EDI to all their large, small & medium trading partners for total supply chain EDI enablement.

## Remove VAN Costs!

**Connect to everyone through OpenEDI™ & remove VAN costs** with a single anyone-to-anyone Data Link connection for AS2, FTP, HTTPS, SMTP, BDX, VAN etc. Previously when using VANs not all suppliers were reached directly through the same VAN & complexity & costs accrued.

**Now OpenEDI™ simplifies the process** as all suppliers can connect easily to any retailer via OpenEDI™. And, there are **no traffic charges** to the retailer.
